Brandon: Real Estate Content Ideas

Rankings, versus, this-or-that, 60s. Items in filming order; first bullet is the hook.

Rule: real estate travels when the items are recognizable to normal people. Tenant rankings pull 200-275K. Vacancy and management content dies at 2-3K.

VERSUS

Real Estate vs Stocks

- Which actually made more over 30 years
- Leverage (the real edge)
- When you need the money tomorrow
- The work each one demands
- Taxes
- What happens in a crash

Buying a House vs Renting and Investing the Difference

- The math at today's prices and rates
- What renters do with the difference (usually nothing)
- Maintenance, taxes, insurance
- Flexibility to move for a job
- Forced savings vs actual returns
- When buying does win

$1M House vs $1M Strip Center

- What each pays you monthly
- Who fixes the roof
- When the tenant leaves
- Which one the bank likes
- Which one you can actually sell

Buying a Business vs Buying a Building

- Which makes more money
- Which owns your calendar
- What you're buying (customers vs a rent check)
- The financing difference
- Which one you can walk away from

THIS OR THAT

Would You Rather: Real Estate Edition

- A paid-off duplex or $500K in the S&P
- Ten rental houses or one strip center
- A building in Texas or California
- A great tenant in a bad building, or the reverse
- Cash flow now or appreciation later
- A 3% mortgage or no mortgage

Green Flag or Red Flag: Your Commercial Broker

- Tells you to lower your price on day one
- Never picks up on weekends
- Shows you properties above your budget
- Does this part-time
- Represents both the buyer and the seller
- Won your listing by quoting the highest price
