HOOKS: CALLOUT BY SIZE

- If you're a business owner with 5 to 10 employees, this is for you.
- Business owners with 5 to 10 employees: you've outgrown the home office and you're tired of paying rent.
- If your business has a payroll, you can probably own your office instead of renting it.
- Running a team of 5 or more out of a leased space? Read this before you renew.

HOOKS: CALLOUT BY AREA

- Business owners in Magnolia!
- Magnolia business owners: your rent payment could be a mortgage payment.
- If you own a business in Magnolia, Tomball, or Pinehurst, stop scrolling.
- Attention business owners within 20 minutes of Magnolia.
- Your business is in Magnolia. Your office should be too, and you should own it.

HOOKS: CALLOUT BY BUSINESS TYPE

- Doctors and dentists in the Magnolia area: own your practice's building, not just the practice.
- If you run a medical practice northwest of Houston, this was built for you. Literally.
- Chiropractors, therapists, dentists: your patients come to you. Your rent shouldn't.
- CPAs and attorneys in Magnolia: you tell clients to build equity. Are you?
- Vets, dentists, family practices: 1,512 to 4,536 SF, customizable for exam rooms.

HOOKS: WHAT THEY'RE ALREADY THINKING

- Tired of paying rent on your office? So was everyone who already bought here. Six units are gone.
- Every month you rent, your landlord's net worth goes up. Not yours.
- You've built the business. Now build the equity.
- Your lease renewal is coming. This time you have another option.
- What if your office payment came back to you when you sell?
- Rent is the only bill that buys you nothing. Fix that.

HOOKS: STACKED (TEST THESE FIRST)

- Magnolia business owners with 5 to 10 employees: you're one signature away from never paying rent again.
- If you run a medical practice in Magnolia and you're still leasing, this is the sign you were waiting for.
- Business owners in Magnolia: three of these office condos are move-in ready, six are already sold.

ANGLES

- Equity vs rent (primary, both audiences)
- Scarcity: 6+ sold, three move-in ready today
- Medical-ready: purpose-built, customizable
- Ownership without landlord work
- Growth corridor: buy before it's priced in
- The look: stone exteriors patients and clients feel
