BRANDON CONTENT - 50 SHORT FORM IDEAS

Batch 19. Built for 15-45 second clips. Orange numbers are the ones to film first.

INSIDER NUMBERS (THE $5.8M TEMPLATE)

Proven: real figures nobody else will publish. Each one needs him to pull one real number before filming.

1. **What a vacant 5,000 SF suite costs per month**
   Taxes, insurance, CAM and the rent, added up
2. **What a backfill really costs**
   Downtime, free rent, build out, commission
3. **What a cost segregation study costs**
   And the size of deal where it stops being worth it
4. **What deferred maintenance costs at the roof**
   Fix it now vs replace it in three years
5. **What an eviction actually costs a landlord**
   Legal, lost rent, the condition they leave it in
6. **What a build out runs per square foot**
   Office vs medical vs retail, in Houston
7. **What a 30 day delay in delivery costs the tenant**
   Double rent, payroll, moving trucks already booked
8. **What one month of free rent is worth to a landlord**
   Versus the rate bump that pays for it
9. **What a broker makes on a 5,000 SF lease**
   Gross, split, and how long until it pays
10. **What a property management fee actually covers**
    Hour by hour for one month

WHAT IT COSTS, BROAD MONEY

Same mechanic, no real estate knowledge required. These are the ones that travel.

11. **What your favorite restaurant pays in rent**
    Pick three Houston spots everyone knows
12. **What a Starbucks pays, and why they still open one**
    Rent as a percentage of sales
13. **What a gym pays per member in rent**
    The reason gyms oversell memberships
14. **What a nail salon pays, and what they make**
    Smallest viable retail business
15. **What a self storage facility makes per unit**
    The most boring business in real estate
16. **What a parking space is worth per month**
    Downtown vs suburbs vs medical
17. **What a billboard pays the property owner**
    Free money most owners never ask about
18. **What a cell antenna on your roof pays**
    Nobody knows this one

RECOGNIZABLE BRANDS AND PLACES

Finding 7: content travels when the items are recognizable to people outside the industry.

19. **Why every Dollar General looks identical**
    Build cost, land cost, lease structure
20. **Why gas stations are always on corners**
    Traffic counts and left turns
21. **Why Chick fil A buys and McDonald's leases**
    Two totally different businesses
22. **Why Costco is always on the edge of town**
    Land per square foot
23. **Why the corner of every strip center is empty**
    Visibility, parking, depth
24. **What happens to a Walmart when it closes**
    Who can even use that box
25. **Why car washes exploded and then stopped**
    Overbuilt in 24 months
26. **Why banks are turning into restaurants**
    Drive through is the asset

FAST VERDICTS, 15 TO 20 SECONDS

One question, one answer, no elaborating. Film ten in a sitting.

27. **Best property type to own right now**
    And the one he would not touch
28. **The lease clause he would never sign**
    One clause, one reason
29. **Cheapest way to add value to a building**
    Under $10,000
30. **The first thing he looks at on a rent roll**
    Before anything else
31. **Biggest red flag on a property tour**
    The thing that ends the tour
32. **Would he buy an office building in 2026**
    Yes or no, then one sentence
33. **The worst month to list a space**
    And why nobody plans around it
34. **One thing every tenant should ask before signing**
    Just one
35. **What he'd do with a half empty building**
    First 30 days
36. **Buy the building or buy the business**
    Same money, which one

MYTH VERSUS REALITY

He has the receipts for most of these already. Argue with a belief, not with a term.

37. **Passive income in real estate**
    What it actually requires
38. **You need money to start in real estate**
    What he started with
39. **Cap rate tells you if it's a good deal**
    Why it mostly doesn't
40. **Location is everything**
    The deals that prove otherwise
41. **Commercial is riskier than residential**
    Depends entirely on the tenant
42. **You can learn the market online**
    What the listing sites leave out
43. **Real estate always goes up**
    Already filmed - the $5.8M building

RAPPORT, 20 TO 30 SECONDS

Short personal beats. These convert viewers into followers, which the ranking videos don't.

44. **The first commission check, and the number**
    Small enough to be funny

45. **The deal he lost that still bothers him**
    No lesson, just the story

46. **What his desk looked like in year one**
    Show it if a photo exists

47. **The call that changed the business**
    Thirty seconds, one call

48. **Something he was wrong about last year**
    Publicly, with the correction

49. **The worst advice he ever gave a client**
    And what he tells them now

50. **Why he still answers his own phone**
    If he does
